UNIVERSAL SUFFRAGE FOR NEGROES.

The N. Y. Tribune, the other day came out with a strong editorial in favor of universal negro suffrage in New-York State, and says the question to be voted on in the November election is not whether negroes should vote, for they are already voters, but whether those of the black race who have not "$250 worth of dirt" should be deprived of the right of suffrage. By "dirt" the reader is to understand real estate, which Greeley used to call "robbery."

The philosopher of the Tribune cannot see any good reason for the property qualification in the case of negroes, and contends there ought to be no distinction between them and white men. This argument proceeds upon the assumption of the black race, being equal to the white, which is contrary to notorious fact. The negro never was, and never will be, equal to the white man; and the qualification of $250 is therefore a very proper provision, and is intended as a stretch of liberality to meet the case of negroes (probably with white blood in their veins) who rise above the average level of their race, and prove their superiority by the industry and temperate habits and intelligence which enabled them to accumulate so much property. Very few of them in free States ever get beyond the profession of waiters or bootblacks, or barbers or whitewashers, or stevedores or servants. In the slave States, where the negro, in his normal condition, he does much better. In the free States the competition of white men, who excel them in skilled labor and intelligence, keep the general mass of them in an abject condition, greatly inferior to their status in that modified servitude under Christian masters which prevails at the South. Giving them permission to vote would not improve their condition, but, considering their general want of education and their vices in large cities, it would prove a source of corruption to them, and an injury to the community at large. By the last census the negro population in New York was not quite 50,000. It probably does not exceed that figure now, for Northern freedom is fatal to its growth. By the proposed change their votes would number, instead of three or four hundred, from nine to ten thousand, made up of the inhabitants of the Five points and all the purlieus of vice and crime in the city; and this festering mass the Republican chiefs calculate they can sway by prejudice or purchase with money, so as to become a balance of power in their hands to carry their election. The Tribune boasts that even the present number of negro votes has turned the scale in an election for Governor. What might it not do when swelled to ten thousand? The Tribune contends that there is an inconsistency in not allowing all negroes to vote or in not preventing at all. Very well. The best way to cure the inconsistency, if it exists, is to amend the constitution by taking away the suffrage from every negro. It must either come to that at last, or fraternity, equality and amalgamation, which is the grand object the Republican party is seeking to accomplish by a reign of terror.—*N. Y. Herald.*

MEETING OF THE DEMOCRATIC STATE CENTRAL COMMITTEE.

THE READING ELECTORAL TICKET TO BE ADHERED TO.

The Democratic State Central Committee, in pursuance of the following call, met at Reading on the 12th inst.,

DEMOCRATIC STATE EXECUTIVE COMMITTEE ROOMS, No. 419 Walnut Street Philadelphia, October 6, 1860.

A meeting of the Democratic State Executive Committee will be held at Reading, on Friday, October 12, 1860, at 11 o'clock, A. M. Business of great importance will be laid before the meeting, and every member is earnestly requested to be present.

WILLIAM H. WELSH, Chairman.

At a quarter past eleven Mr. Welsh called the Committee to order.

Mr. Frank M. Hutchison, the Secretary, called the roll, when thirty-nine members answered to their names, as follows:

Messrs. Stephen D. Anderson, J. Henry Atkins, Vincent L. Bradford, Hugh Barr, J. P. Barr, W. H. Blair, Reuben F. Brown, H. B. Burnham, Charles W. Carrigan, Jas. C. Clarke, John W. Clarke, John Cummings, Alfred Day, Henry L. Dieffenbach, C. M. Donovan, Henry Dunlap, Peter Ent, J. Lawrence Getz, A. Hiestand Glatz, Jos. Gleim, H. A. Guernsey, John Hamilton, Jr., J. H. Hobart, Charles H. Hunter, F. M. Hutchinson, Robert L. Johnson, Isaac Leech, F. P. Magee, Robert McCay, Thomas C. McDowell, O. H. Meyers, Howard L. Miller, William H. Miller, Robert E. Monaghan, H. H. Muhlenburg, Joseph W. Parker, R. Bruce Petriken, Bernard Reiley, Nelson Weiser, and William H. Welsh, President.

The roll being called, Mr. Hutchinson moved that reporters be admitted.

Agreed to unanimously.

Capt. Alfred Day, of Philadelphia, offered the following resolution, and called the previous question, which seemed to be sustained by common consent.

Resolved, That this Committee do hereby rescind its action at Philadelphia on the 2d of July, and at Cresson on the 29th of August last, and that we recommend to the Democratic party of Pennsylvania to stand by the Electoral ticket made by the Democratic State Convention at Reading, on the 1st of March 1860.

Isaac Leech, Jr., of Philadelphia, offered the following amendment as a substitute:

WHEREAS, It is the duty of all Union-loving and conservative citizens to unite in such manner as will best prevent the [illegible] national candidates, Lincoln and Hamlin, and as it is believed that there are a majority of voters in the State of Pennsylvania who are opposed to the hostile and aggressive doctrines of the Republican party. Therefore be it

Resolved, That the Electoral Ticket framed at Reading on the first day of March last, be submitted to the voters of all conservative citizens opposed to the election of Lincoln and Hamlin; provided that each Elector will pledge himself in writing, within ten days from this date, that in the event of his election as an Elector, he will cast his vote for President and Vice President in such a manner as the Reading Convention, re-assembled for such purpose, on the 20th of November next, may direct, whether it be for Douglas and Johnson, Breckinridge and Lane, or Bell and Everett.

Resolved, That, believing there is a decided majority of the voters of this State hostile to sectionalism and to the election of the sectional candidates, Lincoln and Hamlin, we call upon them to forego party differences, and to unite as a conservative Union and Constitutional party in support of the ticket here presented.

Resolved, That in case of any declining to give the required pledge, the place may be filled with one who will give the required pledge to the State Central Committee, which shall assemble at this place on October 23d, at 10 A. M.

Mr. Charles W. Carrigan, of Philadelphia, offered the following amendment to the amendment, and both were voted down, seemingly unanimously:

Resolved, That a committee of five from this Committee be appointed to meet the committee of the same number lately appointed from and by the State Committee of the Constitutional Union party of this State, to confer on the subject of a joint Electoral Ticket, the determination of said Committee of five to be reported to the Democratic State Committee to assemble at the call of the Chairman thereof.

The question then recurring on the original resolution it was adopted with only one dissenting voice, Mr. Leech.

The Committee thereupon adjourned, subject to the call of the President.

1856---1860.

In 1856 we had nearly every vote out in Cumberland county. Mr. Buchanan received 3427, and Fremont and Fillmore combined, received 3037. Total number of votes cast 6464. At the late election Foster received 3716 votes, or, 289 more than Mr. Buchanan received in 1856; Curtin received 3625 votes, or, 588 more than Fillmore and Fremont received in 1856. Total increase in the vote in four years, 877! Something wrong! There certainly has not been this increase of voters in our county since 1856. No one can account for the increase—there is no cause for it: on the contrary, previous to the election it was generally predicted that, owing to the hundreds of men who have left our country during the last four years, our vote would fall short of the vote cast in 1856. How comes this tremendous increase, then? Has fraud been practised, or have we had strangers colonized in our county for the purpose of voting the Black Republican ticket? We repeat, there is sometning wrong—no doubt about it.—*American Volunteer.*

ARRIVAL OF GEN. FOSTER AT HOME.

Our gallant and distinguished candidate for Governor arrived from the East by the mid-day train of Wednesday. He was met at the depot by a crowd of his admirers and friends, including many of the Opposition party, and was escorted by a band of music and a procession to his house. Having arrived there, he was addressed by Gen. William A. Stokes in substance as follows:

I am most happy, Gen. Foster, as the organ of your fellow citizens of Westmoreland county, to bid you hearty welcome to your home.—We salute you, sir, if not as conqueror upon the field which you have nobly fought, as the unchallenged hero of right, and truth, and justice. You may well say, as did Francis 1, after the disastrous battle of Padua, "We have lost everything but our honor." Here, sir, the homage of our hearts is offered as compensation for error and defection elsewhere. But indeed you need no compensrtion. Your manly resolution and firmness, impenetrable by adversity; your retrospect of the path of honor, which you have trod with unfaltering steps; and the spontaneous support which you have received from the wisest and best of your political opponents, offered us satisfaction which words cannot embellish.

You have rebuked the fury of fanaticism, and have held the scales with impartial independence between the warring elements of evil. Mighty and majestic man, we contemplate you with irrepressible and inexpressible admiration. The truths which you have given to the world will never die, for they reflect the immortality of the Divine author of all truth.

For ourselves, sir, we are reconciled to the loss which Pennsylvania has sustained, by our great gain in having all of you for ourselves alone. Secure in the affections of our people, you may defy the frowns of fortune. Favorite son of old Westmoreland, we unite in reverent homage to your virtues. Elsewhere, you are the illustrious champion; here you are the faithful friend.

And for our part, we may all say, in the language of the Psalmist, "We are beaten but not vanquished; cast down but not dismayed."

Again and again, sir, with a heart too full for utterance, I bid you welcome, and thrice welcome, to the home which is honored by being yours.

Gen. Foster replied:

GEN. STOKES AND MY FRIENDS:—It is impossible for me to express the deep gratitude which but I trust not disgraced. I come among you again to live in peace, and I hope, to show in the future, as in the past, my allegiance to the Democratic party, and my warm sympathy for my friends. During the whole contest just ended, I have assailed no man by word or act. I have neither said nor done anything which I regret, and I hope nothing for which my friends need blush. Firmly standing on Democratic truth, I gladly resume my place in the ranks of the party—ready to fight the common enemy of the Constitution and the country.

Accept, Gen. Stokes, my heartfelt thanks, for the too flattering terms in which you have expressed the feelings of our friends.

No language is adequate to express the enthusiasm of our people in behalf of our great citizen and distinguished friend. Successful or defeated, Westmoreland will ever prove true to Henry D. Foster. He returns to us without fear, and without reproach—the Bayard of Pennsylvania politics.—*Greensburg Democrat, October, 10.*

☞"Westmoreland will ever prove true to Henry D. Foster." She manifested her loyalty by giving him a majority of 446 votes—it should have been 2000. To her lasting shame be it said, a large number of her Democracy assisted at his sacrifice. The Grecians were frequently guilty of the folly of ostracising their best citizens, but the hour of repentance came, and they were recalled. No man living has friends more devoted and attached than Gen. Foster; this is due to his noble and generous nature and his commanding ability. We were in Greensburg when Gen. Foster reached home, and present at his reception. His friends gathered about him and exhibited feelings of the deepest attachment. It was a proud moment for the brave champion and defender of Democratic principles, and will long live in our memory.—*Blairsville Record.*

TARIFF AND ANTI-TARIFF.

The Lincolnites say much against those who do not fully agree on political questions combining to support the same electoral ticket.—How much more consistent they are in their political action, the following, from the Philadelphia Monitor, will show:

HAMLIN THE FREE-TRADER.—Will Mr. Hamlin give the friends of protection a written pledge that in the event of Lincoln's death, he will recommend a Protective Tariff? In New York, the elector at the head of the list insists that the Black Republican platform is opposed to a tariff. Mr. Hamlin himself has always been about as ultra a free-trader as ever Mr. Calhoun was. Hence in Pennsylvania and New Jersey, where so many tariff men are enlisted in the Republican cause, it is but fair and proper that such a pledge should be given.

☞"Not long since I called upon some lady friends of mine, and was ushered into the parlor by the servant girl. She asked what name she should announce, and I, wishing to take them by suprise, repled *Amicus*. (a friend). She seemed at first a little puzzled, but quickly regaining her composure, she, in the blandest manner possible, observed, 'What kind of a *cuss*, Sir?"

THE AMERICAN FLAG FIRED BY A WIDE AWAKE TORCH!

While the Republican party all over the country has exhibited so little respect for the American flag that they were induced to blot out in '56 the stars representing the Southern States, we little conceived that one among them could be found so utterly debased as to set fire to the American flag!—And yet this act of Vandalism was left for a Wilkes-Barre Wide Awake to consummate! On Friday evening last, the Democrats held a meeting on the Court House Square which was addressed by Col. J. G. Freeze, of Columbia county, Stanly Woodward and E. B. Chase, Esqrs., of Wilkes-Barre. The meeting was well attended, and all its doings were characterized by good order. A flag waved from the speaker's stand, which was allowed to remain there when the meeting adjourned. The Wilkes-Barre Wide Awake Club, which had paraded the streets early in the evening, went to Scranton, and returned about one or two o'clock in the morning. As these worthies approached the Square, one of them was seen to walk up to the stand where the flag was nailed, and deliberately applying his torch to it, burned it from the pole. Such an act furnishes its own commentary. We will only add the inquiry, how can any National Union-loving man vote with a party whose teachings tend to the destruction of our country's flag!—*Luzerne Union.*

MORE THAN NEGRO EQUALITY CLAIMED.

The Boston Atlas, a leading Republican paper of the New England States, is hard down on the foreign born—especially the Irish. Hear the negro-worshipping editor:

"You may take five-thousand negroes as they come, and a thousand Irishmen in the same way, and you will find the negroes surpassing the Irishmen of Boston in intelligence, morality industry and good citizenship. They are more thrifty, more orderly, and in every way superior."

The above is in accordance with the late amendment of the Massachusetts Constitution, which disfranchises the adopted citizen for two years after he receives his full naturalization papers. Negro suffrage is above par in that State.

FANNY FERN'S "AWE" OF A HUSBAND.—A lady having remarked that "awe" is the most delicious feeling a wife can hold to

Awe of a man whose whiskers you have trimmed, whose hair you have cut, whose cravat you have tied, whose shirt you have put in the wash, whose boots and shoes you have kicked into the closet, whose dressing gown you have worn while combing your hair, who has been down in the kitchen with you at eleven o'clock at night to hunt for a chicken bone, who has hooked your dresses, unlaced your boots and tied your bonnet; who has stood before your looking glass with thumb and finger on proboscis, scratching his chin; whom you have buttered and teased; whom you have seen asleep with his mouth wide open; ridiculous!

BOLD AS A JACKASS.—"Well, Pompey, how do I look?" inquired a Southern exquisite, after a somewhat protracted toilette—tossing a picayune to the watchful darkey. "Ki! massa, you look dreffful fine—I nebba see you look so fierce in all my life! You look jus' a' bold as a lion!"—"Bold as a lion, Pomp? what do you know about a lion! you never saw one."—"Ki, yi! massa, how you talk! ole Pompey nebba see a lion? hab't I seen massa Peyton's Jim ride one ober to de market eb'ry day?" "Why you black fool, that's a jackass!"—"Can't help dat, Massa, you look jus' like him!"

☞A gentleman who had just returned from Arkansas informs us that he heard the followin dialogue at a tavern;

"Hallo, boy."

"Hello yourself!"

"Can I get breakfast here?"

"I reckon you can't."

"Why not?"

"Massa's away, missus drunk, de baby got de cholic, and I don't care a fur bean anybody!"

☞Judge S—— had a very wild son named Bob, who was constantly on a spree, and upon being brought up once for drunkenness, the Judge cried out:

"Is that our Bob?"

"Yes, sir," replied the clerk.

"Fine him two dollars and costs; I'd make it ten dollars if I didn't know that it would come out of my own pocket."

DEMOCRATIC SUCCESS IN DAUPHIN.—In the midst of the general disaster, the Democracy of Dauphin have achieved a local triumph of which they may be proud. They have elected Dr. Lewis Heck, a firm Democrat, to the Legislature, over John Wallower, Jr., and helped to elect Jacob D. Boas, Esq., Independent Sheriff, over Jacob D. Hoffman, the Republican candidate. This is a signal and deserved rebuke to the leaders and managers of the Republican party in that county.

☞A ruined debtor having done his utmost to satisfy his creditors, said to them, "Gentlemen, I have been extremely perplexed till now, how to satisfy you; but having done my utmost endeavor, I shall leave you to satisfy yourselves."

ATTEMPTED BRIBERY.

We have been informed by SAMUEL KETTERMAN, ESQ., County Surveyor for this county, that a prominent Republican offered him FIFTY DOLLARS if he would oppose and electioneer against Hon. W. P. SCHELL. Mr. Ketterman, like a man and a Democrat, spurned the proffered bribe, saying that he did not keep his principles for sale. The name of the person who made this offer is withheld for the present. This is another instance of the fraud and corruption by which the Black Republicans carried the late election. Shall they go unrebuked?

A MISERABLE FIZZLE!

All last week the the shop-doors and street-posts of our town were garnished with staring posters announcing that J. K. Morehead and Thos. Howard, of Pittsburg, would be here to address the laid out Republicans and discomfited Belsnickles of Bedford on Friday, evening of that week. Well, Friday evening came, but no Morehead, no Howard! Disconsolately and with muffled drums, the Belsnickles paraded the streets and then slipped quietly up to the Court House to hear the would-be Secretary of the Commonwealth. Although the bills had been scattered far and wide, there was no crowd, no enthusiasm, only Fr. Jordan and a few Belsnickles.

THE LEHMAN-BUTLER FRAUD.
TESTIMONY IN THE CASE.

Last week we gave our readers an account of the bold and villanous attempt on the Congressional District in Philadelphia, to defraud W. E. Lehman, Democrat, out of the seat in Congress to which he was fairly and legally elected. Byerly, the return Judge, who handed in the forged return, it is now alleged, was bribed by the friends of Butler, the Republican candidate, to alter the return. At his hearing before Recorder Eneu, the following testimony was elicited.

The persons whose names are signed to the alleged fraudulent return, and all of whom had already been sworn, were re-called.

H. N. Speel, of the First Division, pronounced his signature a forgery. The paper produced was not the document he signed.

A. D. Davis, of the third Division, could not tell whether or not his name was a forgery; it was a facsimile of his signature; but he thought he hadn't signed it. The figures compare properly with his memorandum of the vote of his Division.

George V. Moore, of the Fifth Division, declared the paper spurious, and his signature upon it a forgery. The arrangemet of the figures, &c., on the original, was different.

Felix Connelly, of the Sixth Division, declared that his signature was a forgery. The Precinct return, about which there is no question, and which was filed by himself, was next shown him, and he declared his signature affixed to that a forgery also.

DEMOCRATS!

Remember that we are now a united party, that there is but one Democratic Electoral Ticket, that the Breckinridge men and the Douglas men will both vote it, and that therefore, we may redeem Pennsylvania, if we go to work. Now is the time to fight for *principle!* The old Democratic flag still waves above us! It shall never be dishonored. To the rescue, Democrats of Bedford county.

The Encampment.—There were six companies in attendance at the Military Encampment held at this place last week, viz: the Bedford Riflemen, Schellsburg Black Plumed Riflemen, Clearville Blues, Bloody Run Blues, Cumberland Valley Blues, and Hopewell Riflemen. Among the field-officers we noticed Gen. Evans, Cols. Compher and Horton, Lieut. Col. Tate, Maj. Gump, Maj. Diburt, Maj. Hysung, Capt. Fluke, &c., &c.

☞ The Democratic Club had a large and enthusiastic meeting on Saturday night last.—Speeches were made by Hon. John Cessna, Hon. W. P. Schell and Maj. Tate. The next meeting will be held on Saturday evening next.

☞ We had a visit one day last week from our old and particular friend, Col. J. C. Everhart, of Martinsburg, formerly of Hopewell in this county. The Colonel was accompanied by Dr. A. J. Crisman and F. Nicodemus, of Martinsburg. A strong team.

MEETING OF THE DOUGLAS STATE COMMITTEE.
THE READING TICKET ENDORSED.
The Straight Ticket Withdrawn.

We have the pleasure of informing our Democratic friends, that there is now but one Democratic Electoral Ticket to be voted for in Pennsylvania at the coming Presidential election. The ticket formed by the Reading Convention which nominated Henry D. Foster for Governor, has been endorsed by the Straight Out Douglas men, and is now acceptable to the entire Democracy of the State. The motives which have actuated the Douglas Committee, in endorsing the Reading Ticket, were founded in strict fidelity to the best interests of the party and of its candidates. The Democratic State Committee, headed by Mr. Welsh, succeeded in disorganizing the Democracy of the State, by distasteful propositions of fusion with outside candidates, and thus assisted in bringing about the defeat of our gallant candidate for Governor, Gen. Foster. Immediately after the late State election, however, Mr. Welsh's Committee, in order to repair, if possible, the injury done by their fusion programme, re-assembled and repealed their action at Cresson and at Philadelphia, thus leaving the Electors stand as they stood prior to the nomination of candidates for President and Vice President, distinctly and unequivocally pledged to vote, in case of their election, for the regular nominees of the Democratic National Convention. This action of the Welsh Committee re-unites the party, in as much as it is acceptable to our Breckinridge friends as well as to the supporters of Douglas and Johnson. And what is better, our bond of union is not a fusion ticket, but the *regular*, straight-out Democratic Electoral Ticket, without spot or blemish, formed by the Convention which nominated Henry D. Foster. We shall give it our hearty support, and call upon all true Democrats, no matter whom they prefer for President, to make this ticket their rallying-point and to give it such a vote as will demonstrate most effectually their loyalty and fidelity to the rules and usages of the Democratic party.

We publish, on our first page, the proceedings of the Welsh State Committee, repealing their fusion programme, and now give below the action of the Douglas Committee, withdrawing the Straight Ticket and endorsing the Reading Ticket. We ask the careful attention of our Democratic readers to the proceedings of both Committees.

MEETING OF THE DOUGLAS STATE EXECUTIVE COMMITTEE.

¶ Last evening the Douglas Straight Committee held an adjourned and final session at the Girard House. Thirty delegates were present. General A. L. Roumfort presided. Some substitutes were proposed for absentees, and the minutes were read.

Mr. Cessna said he had prepared a preamble and resolutions several days ago, and that since his arrival in this city, Mr. Miller had also furnished an address which, as agreeable, he thought it would be well to have them published with the sanction of the committee. Mr Cessna then read the following preamble and resolutions:

Whereas, The regular Democratic State Convention of Pennsylvania, held at Reading on the first day of March last, in strict accordance with the rules and usages of the Democratic party, adopted a platform of principles; selected a delegation to represent the State in the National Convention, to assemble at Charleston; authorized the chairman of said State Convention to appoint an Executive Committee to serve for the ensuing year, and appoint an electoral ticket, which was distinctly and unequivocally pledged and instructed to support the nominees of the Charleston Convention, then soon about to be held, and to which the Pennsylvania delegation was commissioned and sent: And whereas, The delegation so sent to Charleston took their seats in said National Convention, participated in the proceedings thereof, resumed their seats in said Convention upon its re-assembling at Baltimore, and, after the nomination of Stephen A. Douglas by the said National Convention, did, through their chairman, Hon. John L. Dawson, all the delegates being present, and no one dissenting, ratify and assent to the nomination so made, and pledge themselves and the Democracy of the State to its support. And whereas, The State Central Committee, by resolution of July 2d, 1860, passed at Philadelphia, and of August 9th, 1860, passed at Cresson, attempted to divert the electoral ticket chosen at Reading from the object of its original appointment, and directing and providing that in certain contingencies the votes of said electors should be cast for candidates other than those so nominated by the National Convention as aforesaid, thereby openly and unwarrantably attempting to disregard and overrule the instructions of the Convention, by which said committee was appointed, and committing, distinctly and clearly, acts of rebellion and disorganization, placing themselves outside of the regular organization of the party, and rendering it incumbent upon the true men of that committee, in conjunction with the Pennsylvania member of the National Committee of the Democratic party, to take steps to counteract the disorganizing conduct of the State Central Committee, and to provide for the voters of the State an electoral ticket pledged to the support of the regular nominees of the Democratic National Convention, which was accordingly done: And, whereas, The State Central Committee, at its late session at Reading, on the 12ht inst. did, in distinct and unequivocal terms and language, repeal, rescind, and annul its disorganizing action of July 2d and August 9th, 1860; and having fully repented of its guilty conduct, atoned, as far as possible, for its violation of duty, lowered its flag of rebellion, and withdrawn from before the people of Pennsylvania as a candidate the person presented to them, solely by the action of said committee, and leaving for their support none other than the regular nominees of the National Convention, to whose support the members of the Reading electoral ticket stand instructed by the commissions they severally hold, and pledged in honor by the acceptance of their appointment; therefore,

Resolved, That this committee, for the reasons aforesaid, does hereby withdraw the electoral ticket heretofore appointed and published by its order and direction.

Resolved, That regarding, as we have from the first—both on account of the regularity of their nomination, and the clear consistency of the platform upon which they stand with that adopted by the Reading State Convention—Douglas and Johnson to be *solely* entitled to receive the Democratic electoral vote of Pennsylvania, we are not permitted to doubt that vote will be given to them by the electors now left in nomination, in case of success—and especially as the history of the country in the past has never, except in a single case, shown a failure on the part of any elector ever chosen by the people to cast his vote according to instructions of the Convention appointing him.

Resolved, That thus believing, we deem it proper under existing circumstances, for the harmony of the Democratic party of Pennsylvania, to recommend to the united Democracy of the State the electoral ticket as it was originally formed at Reading in March last—now wholly free from questionable pledges and committals.

After full and free discussion on the part of various members of the Committee, the resolutions were adopted with great unanimity.

A SUNDAY MAIL.

The Post Office Department has put a Sunday mail upon the route between this place and Chambersburg. We cannot see that any good is to be derived from this arrangement whether by the public along the route or at either terminus. But little mail matter is carried over the route, and the stages never reach either Bedford or Chambersburg, till nine o'clock P. M., when most people have retired for the night. We think the Department could greatly improve its schedule on this route by abolishing the Sunday service and expediting the trip during the other days of the week, so as to deliver the mail at Bedford and Chambersburg by 7 o'clock, P. M. The contractor, Mr. A. J. Reeside, has stocked the route with fine coaches and good horses and is doing all in his power to accommodate the traveling public. With the change above proposed, he could do still better. We hope it will be made.

Blair County Normal School and Seminary.—We direct the attention of our readers to the advertisement of this institution to be found elsewhere in our paper. The Principals, Profs. Osborne and Dickerson, are well known in this community, as teachers of eminent ability and in every way worthy the confidence of the public. Prof. Dickerson has taught a high school in our town for some time past, and is universally liked as a man and a teacher. Prof. Osborne, as Principal of the Rainsburg Seminary, attracted a large number of students to that school, his qualifications as a teacher being of a very superior order. We can knowingly and confidently recommend the Blair County Normal School and Seminary.

☞ The Temperance Organization of this place, held its regular meeting, on Monday evening last, and was addressed by Mr. A. J. Middleton and others. The meeting was large. M. King, Esq., was elected President, and Mr. Werner Hoerkens, Vice President, for the next six months.

For the Gazette.

Mr. Editor:

Whilst looking over last week's Bedford *Inquirer*, my attention was drawn to the following article:

"We learn that a number of voters, on our side, in Monroe Township, were refused their votes at the recent election, because they were not assessed, although they were willing to swear that they had paid tax within two years, and resided in the township over ten days.—This is unpardonable. Election officers ought to know their duties better. These men were clearly entitled to vote without being assessed. The worst part of the story is, that enough of these voters were rejected in that Township to defeat our sheriff."

Now, it is evident from the tenor of the above, that the *Inquirer* wishes to attach blame to such Democratic inspectors of election as served in that Township. It is generally known that the opposition have a majority there, and that the local officers are mostly of that political stamp; and that they in a great measure have their own way, and their own interpretation of the election law, as I can well assert from my own experience with them four years ago.

At that time, after going some five miles to deposit my vote for Electors of Jas. Buchanan, and showing my tax receipt, and proving to the satisfaction of all that I had been in the township over ten days, I was refused permission to cast my vote, on the ground that I had neglected to be assessed. Several others were refused on the same grounds.

I hope, now, since both parties have lost votes at that place, that the judges will inform themselves on that part of our Election Laws, that justice may be done all parties in future. I do not charge the board, as a body, with acting from political or biased motives at all, (as the above copied article seems to do) for from my acquaintance with the persons who composed that board, I believe there were among them those who "know no guile." Yet a precedent was there laid down that has guided the board at that place from that day to this, and which should be done away with; for if adhered to it is calculated to prevent a large number of tax paying industrious young men whose occupations lead them to different townships, from depositing their votes, a thing which was certainly never contemplated by the framers of our Election Laws.

Yours respectfully,
CUMBERLAND VALLEY.

Holloway's Pills.—What is Life Insurance, Apoplexy, &c.—Many people insure their lives to benefit their families by death—how paradoxical is this. To prolong life by preserving the health would be a far more rational manner of assuring it.—Apoplexy is swift and insidious in its attacks, striking its victim without a moment's warning, happily, a preventive has been discovered—Holloway's Pills—the only safe and certain antidote for this disease, they cool the blood and equalize its circulation through the system. To preserve the stomach in a sound condition and the blood pure—is the true secret of health. Holloway's Pills will do this most effectually and thousands owe their actual existence to them at the present day.

A CARD.

Bedford, Penn'a., Oct. 16, 1860.

Whereas, there has been a report put into circulation by the enemies of Prof. Osborne, of Rainsburg, since his determination to take charge of the Franklin High School and Normal Institute, at Martinsburg, Blair county, Pa., greatly to his injury as a Teacher and gentleman, we, the undersigned committee appointed by the Directors of the Franklin High School, at Martinsburg, to investigate the reports, after full investigation, find the charges wholly unfounded, and believe that said charges were brought only to injure him as a Teacher and gentleman.

TIMELY ADVICE.

The editor of the *Medical Reformer* remarks that, as in the spring and early summer, the sensibilities of the digestive organs are increased, the full diet of winter will, if persisted in, induce fever. This is by no means a new discovery. The ancients named the month of February, when their spring began, from *februm* a fever, and wisely recommended, as a preparative for the heats of summer, judicious exercise, light diet, and the full and free use of water.

Professor Holloway, the distinguished English practitioner, has done something more than this. He has discovered and introduced two remedies for all the derangements incident to a change of temperature, which have saved the lives of thousands of unacclimated travellers and sojourners, in every region between the equator and the poles. When a sudden transition from cold to heat produces dyspepsia, liver complaint, fever, diarrhœa or dysentery, Holloway's Pills seem to subdue the disturbance in the system at once, and to bring all its functions into harmony with the new atmospheric influences by which it is surrounded. Where the shock occasioned by the change affects the skin or glands, the Ointment, in combination with the Pills, soon puts the external organization into a healthy condition.

Under these circumstances, common prudence suggests the propriety of having both remedies always at hand at the commencement of the summer, and of providing a supply of them before starting on a journey or voyage. In this climate, summer and autumn are, unquestionably, the seasons most prejudicial to health, and therefore nothing should then be left undone that will have the effect of fortifying and bracing up the system, purifying blood, and putting the digestive apparatus in good working order. So far as our observation goes, Holloway's Pills will infallibly secure these results. Families who have habitually used them for years as a Spring, Summer and Fall medicine, declare that a complete exemption from the complaints usual at those seasons has been the invariable consequence of their exhibition. This we can readily believe, knowing as we do, that they exercise a triple influence upon the internal organs. They purify the fluids, remove obstructions, and invigorate the digestive powers. There are few systems so healthy as not to require such helps to Nature at this critical period of the year, and it is therefore obvious that a course of Holloway's Pills is proper, as a protective measure.—*Boston "Journal."*

Ayer's Sarsaparilla,

FOR PURIFYING THE BLOOD.

And for the speedy cure of the subjoined varieties of Disease:

Scrofula and Scrofulous Affections, such as Tumors, Ulcers, Sores, Eruptions, Pimples, Pustules, Blotches, Boils, Blains, and all Skin Diseases.

OAKLAND, Ind., 6th June, 1859.

J. C. AYER & Co. Gents: I feel it my duty to acknowledge what your Sarsaparilla has done for me. Having inherited a Scrofulous infection, I have suffered from it in various ways for years. Sometimes it burst out in Ulcers on my hands and arms; sometimes it turned inward and distressed me at the stomach. Two years ago it broke out on my head and covered my scalp and ears with one sore, which was painful and loathsome beyond description. I tried many medicines and several physicians, but without much relief from any thing. In fact, the disorder grew worse. At length I was advised to read in the Gospel Messenger that you had prepared an alterative (Sarsaparilla), for I knew from your reputation that any thing you made must be good. I sent to Cincinnati and got it, and used it till it cured me. I took it, as you advise, in small doses of a teaspoonful over a month, and used almost three bottles. New and healthy skin soon began to form under the scab, which after a while fell off. My skin is now clear, and I know by my feelings that the disease has gone from my system. You can well believe that I feel what I am saying when I tell you, that I hold you to be one of the apostles of the age, and remain ever gratefully,

Yours,
ALFRED B. TALLEY.

St. Anthony's Fire, Rose or Erysipelas, Tetter and Salt Rheum, Scald Head, Ringworm, Sore Eyes, Dropsy.

Dr. Robert M. Preble writes from Salem, N. Y., 12th Sept., 1859, that he has cured an inveterate case of *Dropsy*, which threatened to terminate fatally, by the persevering use of our Sarsaparilla, and also a dangerous attack of *Malignant Erysipelas* by large doses of the same; say he cures the common *Eruptions* by it constantly.

Bronchocele, Goitre or Swelled Neck.

Zebulon Sloan of Prospect, Texas, writes: "Three bottles of your Sarsaparilla cured me from a *Goitre*—a hideous swelling on the neck, which I had suffered from over two years."

Leucorrhea or Whites, Ovarian Tumor, Uterine Ulceration, Female Diseases.

Dr. J. B. S. Channing, of New York City, writes: "I most cheerfully comply with the request of your agent in saying I have found your Sarsaparilla a most excellent alterative in the numerous complaints for which we employ such a remedy, but especially in *Female Diseases* of the Scrofulous diathesis. I have cured many inveterate cases of Leucorrhœa by it, and some where the complaint was caused by *ulceration of the uterus*. The ulceration itself was soon cured. Nothing within my knowledge equals it for these female derangements."

Edward S. Marrow, of Newbury, Ala., writes, "A dangerous *ovarian tumor* on one of the females in my family, which had baffled all the remedies we could employ, has at length been completely cured by your Extract of Sarsaparilla. Our physician thought nothing but extirpation could afford relief, but he advised the trial of your Sarsaparilla as the last resort before cutting, and it proved effectual. After taking your remedy eight weeks no symptom of the disease remains."

Syphilis and Mercurial Disease.

NEW ORLEANS, 25th August, 1859.

DR. J. C. AYER: Sir, I cheerfully comply with the request of your agent, and resort to you some of the effects I have realized with your Sarsaparilla.

I have cured with it, in my practice, most of the complaints for which it is recommended, and have found its effects truly wonderful in the cure of *Venereal and Mercurial Disease*. One of my patients had Syphilitic ulcers in his throat, which were consuming his palate and the top of his mouth. Your Sarsaparilla, steadily taken, cured him in five weeks. Another was attacked by secondary symptoms in his nose, and the ulceration had eaten away a considerable part of it, so that I believe the disorder would soon reach his brain and kill him. But it yielded to my administration of your Sarsaparilla: the ulcers healed, and he is well again, not of course without some disfiguration in his face. A woman who had been treated for the same disorder by mercury was suffering from this poison in her bones. They had become so sensitive to the weather that on a damp day she suffered excruciating pain in her joints and bones. She, too, was cured entirely by your Sarsaparilla in a few weeks. I know from its formula, which your agent gave me, that this Preparation from your laboratory must be a great remedy; consequently, these truly remarkable results with it have not surprised me.

Fraternally yours, G. V. LARIMER, M. D.

Rheumatism, Gout, Liver Complaint.

INDEPENDENCE, Preston Co., Va., 6th July, 1859.

DR. J. C. AYER: Sir, I have been afflicted with a painful chronic *Rheumatism* for a long time, which baffled the skill of physicians, and stuck to me in spite of all the remedies I could find, until I tried your Sarsaparilla. One bottle cured me in two weeks, and restored my general health so much that I am far better than before I was attacked. I think it a wonderful medicine. J. FREAM.

Jules Y. Getchell, of St. Louis, writes: "I have been afflicted for years with an *affection of the Liver*, which destroyed my health. I tried every thing, and every thing failed to relieve me; and I have been a broken-down man for some years from no other cause than *derangement of the Liver*. My beloved pastor, the Rev. Mr. Espy, advised me to try your Sarsaparilla, because he said he knew you, and anything you made was worth trying. By the blessing of God it has cured me, and has so purified my blood as to make a new man of me. I feel young again. The best that can be said of you is not half good enough."

Sore Legs.

A great variety of cases have been reported to us where cures of these formidable complaints have resulted from the use of this remedy, but our space here will not admit them. Some of them may be found in our American Almanac, which the agents below named are pleased to furnish gratis to all who call for them.

Dyspepsia, Heart Disease, Fits, Epilepsy, Melancholy, Neuralgia.

Many remarkable cures of these affections have been made by the alterative power of this medicine. It stimulates the vital functions into vigorous action, and thus overcomes disorders which would be supposed beyond its reach. Such a remedy has long been required by the medical profession of the people, and we are confident that this will do for them all that medicine can do.

Ayer's Cherry Pectoral,

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the Relief of Consumptive Patients in advanced Stages of the Disease.

This is a remedy so universally known to surpass any other for the cure of throat and lung complaints, that it is useless here to publish the evidence of its virtues. Its marvellous excellence for coughs and colds, and its truly wonderful cures of pulmonary disease, have made it known throughout the civilized nations of the earth. Few are the communities, or even families, among them who have not some personal experience of its effects—some living trophy in their midst of its victory over the subtle and dangerous disorders of the throat and lungs. As all know, the dreadful fatality of these disorders, and as they know, too, the effects of this remedy, we need not do more than to assure them that it has now all the virtues that it did have when making the cures which have won so strongly upon the confidence of mankind.

PRUNES FROM 12½ TO 28 CENTS A POUND for salby
july20,'60. A. L. DEFIBAUGH.

DR. MOTT'S CHALYBEATE RESTORATIVE PILLS OF IRON.

AN APERIENT AND STOMACHIC PREPARATION of IRON purified of Oxygen and Carbon, by combustion in Hydrogen. Sanctioned by the highest medical authorities, both in Europe and the United States, and prescribed in their practice.

The experience of thousands daily proves that no preparation of Iron can be compared with it. Impurities of the blood, depression of vital energy, pale and otherwise sickly complexions indicate its necessity in almost every conceivable case. Innoxious in all maladies in which it has been tried, it has proved absolutely curative in each of the following complaints, viz:

In Debility, Nervous Affections, Emaciation, Dyspepsia, Constipation, Diarrhœa, Dysentery, Incipient Consumption, Scrofulous Tuberculosis, Salt Rheum, Mismenstruation, Whites, Chlorosis, Liver Complaint, Chronic Headaches, Rheumatism, Intermittent Fever, Pimples on the Face, &c.

In cases of *General Debility*, whether the result of acute disease or of the continued diminution of nervous and muscular energy from chronic complaints, one trial of this restorative has proved successful to an extent which no description nor written attestation would render credible. Invalids so long bed-ridden as to have become forgotten in their own neighborhoods, have suddenly re-appeared in the busy world as if just returned from protracted travel in a distant land. Some very signal instances of this kind are attested of female sufferers, emaciated victims of apparent marasmus, sanguineous exhaustion, critical changes, and that complication of nervous and dyspeptic aversion to air and exercise for which the physician has no name.

In *Nervous Affections* of all kinds, and for reasons familiar to medical men, the operation of this preparation of Iron must necessarily be salutary, for, unlike the old oxides, it is vigorously tonic, without being exciting and over-heating; and gently regularly aperient, even in the most obstinate cases of costiveness, without ever being a gastric purgative, or inflicting a disagreeable sensation.

It is this latter property, among others, which makes it so remarkably effectual and permanent a remedy for *Piles*, upon which it also appears to exert a distinct and specific action, by dispersing the local tendency which forms them.

In *Dyspepsia*, innumerable as are its causes, a single box of these Chalybeate Pills has often sufficed for the most habitual cases.

In unchecked *Diarrhœa*, even when advanced to Dysentery, confirmed, emaciating and apparently malignant, the effects have been equally decisive and astonishing.

In the local pains, loss of flesh and strength, debilitating cough, and remittent hectic, which generally indicate *Incipient Consumption*, this remedy has allayed the alarm of friends and physicians, in several very gratifying and interesting instances.

In *Scrofulous Tuberculosis*, this medicated iron has had far more the good effect of the most cautiously balanced preparations of iodine, without any of their well-known liabilities.

The attention of females cannot be too confidently invited to this remedy and restorative, in the cases peculiarly affecting them.

In *Rheumatism*, both chronic and inflammatory, in the latter, however, more decidedly, it has been invariably well reported, both as alleviating pain and reducing the swellings and stiffness of the joints and muscles.

In *Intermittent Fevers* it must necessarily be a great remedy and energetic restorative, and its progress in the new settlements of the West, will probably be one of high renown and usefulness.

No remedy has ever been discovered, in the whole history of medicine, which exerts such prompt happy and fully restorative effects. Good appetite, complete digestion, rapid acquisition of strength, with an unusual disposition for active and cheerful, price 50 cents per box; for sale by druggists and dealers. Will be sent free to any address, on receipt of the price.

All letters, orders, etc., should be addressed to

MARK THESE FACTS!

THE TESTIMONY OF THE WHOLE WGRLD

Holloway's Ointment.

Bad Legs, Bad Breasts, Sores and Ulcers.

All description of sores are remediable by the proper and diligent use of this inestimable preparation. To attempt to cure bad legs by plastering the edges of the wound together is a folly; for should the skin unite, a boggy diseased condition remains underneath to break out with tenfold fury in a few days. The only rational and successful treatment, as indicated by nature, is to reduce the inflammation in and about the wound, and to soothe the neighboring parts by rubbing in plenty of the Ointment, as salt is forced into meat.

Diptheria, Ulcerated Sore Throat, and Scarlet and other Fevers.

Any of the above diseases may be cured by well rubbing the Ointment three times a day into the chest, throat and neck of the patient; it will soon penetrate, and give immediate relief. Medicine taken by the mouth must operate upon the whole system ere its influence can be felt in any local part whereas the Ointment will do its work at once.—Whoever tries the ungeunt in the above manner, for the diseases named, or any similar disorders affecting the chest and throat, will find themselves relieved as by a charm.

Piles, Fistulas, Strictures.

The above class of complaints will be removed by nightly fomenting the parts with warm water, and then most effectually rubbing in the Ointment. Persons suffering from these direful complaints lose not a moment in arresting their progress. It should be understood that it is not sufficient merely to smear the Ointment on the affected parts, but it must be well rubbed in for some considerable time two or three times a day, that it may be taken into the system, whence it will remove any hidden sore or wound as effectually as though palpable to the eye. There again bread and water poultices, after the rubbing in of the Ointment, will do great service. This is the only sure treatment for females, cases of cancer in the stomach, or where there may be a general bearing down.

Indiscretions of Youth;—Sores and Ulcers.

Blotches, as also swellings, can, with certainty be radically cured if the Ointment be used freely and the Pills be taken night and morning as recommended in the printed instructions. When treated in any other way they only dry up in one place to break out in another; whereas this Ointment will remove the humour from the system, and leave the patient a vigorous and healthy being. It will require time with the use of the Pills to ensure a lasting cure.

Dropsical Swellings, Paralysis and Stiff Joints.

Although the above complaints differ widely in their origin and nature, yet they all require local treatment. Many of the worst cases, of such diseases, will yield in comparatively short space of time, when this Ointment is diligently rubbed into the parts affected, even after every other means have failed. In all serious maladies the Pills should be taken according to the printed directions accompanying each box.

Both the Ointments and Pills should be used in the following cases:

Bad Legs,	Fistulas,
Bad Breasts,	Gout,
Burns,	Glandular Swellings,
Chiego-foot,	Sore-throats,
Chilblains,	Skin Diseases,
Chapped Hands,	Scurvy,
Corns (Soft)	Sore-heads
Cancers,	Tumors,
Contracted and Stiff Joints,	Ulcers,
Elephantiasis,	Wounds,
	Yaws.

☞**CAUTION!**—None genuine unless the words "HOLLOWAY, NEW YORK AND LONDON," are discernible as a *Water-mark* in every leaf of the book of directions around each pot or box; the same may be plainly seen by holding the leaf to the light. A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines or vending the same, knowing them to be spurious.

***Sold at the Manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine, throughout the civilized world, in boxes at 25 cents, 62 cts and $1 each.

☞There is considerable saving by taking the larger sizes.

N. B.—Directions for the guidance of patients in every disorder are affixed to each box.
